

St. George's Independent School Volunteer Field Trip Driver's Information Form

One of St. George's primary responsibilities is to provide for the safety and security of the boys and girls enrolled. Field trips are an extremely important part of our overall program. They often supplement the school's curriculum and always provide for experiential learning opportunities. To conform with guidelines outlined for volunteers and volunteer drivers, St. George's requires the following information before allowing any volunteer to drive for a school trip. Please note that a driver's license check may be included. Persons who have pending charges or who have been convicted within the last ten (10) years of (1) reckless driving, (2) driving under the influence, or (3) driving while intoxicated, will not be permitted to serve as a volunteer field trip driver. Thank you for your understanding and support of this policy. We feel it will further ensure the safety of not only your child, but of all children attending St. George's.

Insurance Information

A certificate of insurance indicating a minimum of \$300,000 limit liability coverage is required. Please have your insurance agent forward a certificate to St. George's. Please remember the insurance follows the vehicle and not the driver. The volunteer driver's insurance is the primary coverage when private vehicles are used for school trips. If any information should change (i.e. insurance company, expiration date of policy), please have insurance company send us an updated form.
