

St. George's Independent School, Germantown Birthday Books

Birthday books are a great way to celebrate birthdays at St. George's.

- Your child will choose his or her favorite book from a wide assortment of titles, which Mrs. Winstead has chosen for the library.
- A card will be sent to your child acknowledging the gift and wishing him/her a very happy birthday from St. George's.
- He or she will be recognized in chapel and the book will be presented to the student body during the month in which his/her birthday falls.
- A St. George's bookplate with your child's name will be permanently placed in the book when it is put into circulation.
- The names of all the children for whom a birthday book was donated will be listed in the school's Annual Report published in September.

If you, a relative, or special friend would like to donate a book to our library in honor of your child, please fill out the form below and return it to the school office with a check in the amount of \$25.00. You may send this in now. (These gifts are tax deductible in accordance with laws of the IRS.) This is a wonderful way to remember your child's birthday while making a gracious gift to the school's library. (Summer birthdays are remembered at a special time usually in May or August.)

A donation to the library is also a greatly appreciated way to remember a teacher's birthday, special event, or to just say thanks for a great year! Instead of that Christmas candy, think ... books! Gifts to the library in honor of someone may be made through the development office in any amount desired.

Please return this form to the school office. Thank you!
